JIPMER Puducherry

Teams

One team per institution comprising of 3 residents are allowed (SR not allowed). Only 1 player per team will be logged into Kahoot! but all members can collaborate prior to submitting response. Once a response is submitted, the answer is final.

Registration process

- ❖ Residents must be registered to attend The World Academic Congress of Emergency Medicine www.WACEM21.com
- ❖ Once registered please email pocusfrf2021@gmail.com with following data.
Name of Institution and Team Members with email ID and WhatsApp Cell Number.

**Last Date to submit teams is 8th December 2021, 1:30pm
Indian Standard Time.**

- ❖ Zoom link will be sent post registration.

How the quiz works

- ❖ Teams will keep their zoom video on during competition & use kahoot to log answers in
- ❖ Sign into the game session provided at the start of the contest
- ❖ Must keep the app open the entire game. If you leave the app, you also leave the gaming session and may lose the ability to respond. You can re-open the app and continue, but may lose time or miss questions. You will not lose points though.
- ❖ You may choose to use the web-based version (<https://kahoot.it/>) of Kahoot! but must stay active at all times. Between questions, your device may time out and sleep. You will need to re-open your device and get back into the game session. You may miss questions or time to respond but you will not lose points.
